Jablamo Broadcasting, Ltd. is an equal opportunity employer that encourages minorities and females to apply for job openings.

Jablamo Broadcasting has a three-part plan in an attempt to reach all segments of the population to fill full-time job positions, without regard to color, race, gender or religious belief:

1. The wide dissemination of full-time openings via our radio properties, on-line classified advertising, trade periodicals/websites, and the use of appropriate job sources.
2. The sending of notices to community groups via letters or e-mail that request such notification. Through on-air notices and the development of relationships with organizations we hope to grow this list.
3. Through our on-going internship program, participation in job fairs throughout the year, hosting job fairs, and participation in a scholarship program through a local high school.
